**SECTION I**

**IMPORTANT NOTICE**

- Throughout this policy, words in italics have a specific meaning and are defined in Section XI - Definitions.
- Please read this policy carefully before you travel.
- Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances. It is important that you read and understand your policy before you travel, as your coverage may be subject to certain limitations and exclusions.
- A pre-existing medical condition exclusion may apply to medical conditions and/or symptoms that existed prior to your trip. Check to see how this applies in your policy and how it relates to your departure date, date of purchase or effective date.

- In the event of a *sickness or injury*, your prior medical history will be reviewed after a claim has been reported.
- You are required to contact *Global Excel* as soon as reasonably possible for approval of treatment. Failure to do so limits benefits (see Section V – Limitations and Restrictions).
- All amounts are in Canadian currency, unless indicated otherwise.
- If, while you are on a covered trip, you return to your province, territory of residence or Canada for any reason prior to your expected return date, you must contact your broker or sales agent to discuss how your coverage may be affected.

**SECTION II**

**ELIGIBILITY**

- You must meet the following conditions to be eligible for this insurance:
  - You must be a Canadian resident and be covered by the government health insurance plan (GHIP) of your Canadian province or territory of residence for the entire duration of your trip;

- If your health changes or does not remain *stable* between the date you complete and submit the Application and your effective date, you must review the medical questions on the Application with your broker or sales agent to re-assess your eligibility. **If you are no longer eligible for the insurance plan you purchased and you fail to contact your broker or sales agent, your claim will be denied, the Insurer will void your policy, and the premium paid will be refunded. This means no benefits will be covered and you will be responsible for all expenses relating to your sickness or injury, including repatriation costs.** However, if you are purchasing a Multi-Trip Annual Plan and your health changes or does not remain *stable* after the effective date, your eligibility will not be affected but coverage for your medical condition may be excluded (see Section VI - Exclusions paragraph A – Pre-Existing Medical Condition Exclusions).

## SECTION IX

## GENERAL PROVISIONS

- Subrogation** - If an *insured person* suffers a loss covered under this policy, the Insurer is granted the right from the *insured person* to take action to enforce all the rights, powers, privileges and remedies of the *insured person* upon making payment or accepting the claim to the extent of the incurred losses, against any person, legal person or entity which caused such loss. Additionally, if No Fault benefits or other collateral sources of payment of expenses are available to the *insured person*, regardless of fault, the Insurer is granted the right to make a demand for and recover those benefits. If the Insurer institutes an action, the Insurer may do so at its own expense, in the *insured person's* name, and the *insured person* will attend at the place of loss to assist in the action. If the *insured person* institutes a demand or action for a covered loss he shall immediately notify the Insurer so that it may safeguard its rights.  
The *insured person* shall take no action after a loss that will impair the rights of the Insurer set forth in this paragraph and shall do such things as are necessary to secure the the Insurer's rights.
- Other Insurance** - This insurance is a second payer plan. For any loss or damage insured by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered benefits incurred outside the province of residence that are in excess of the amounts for which an *insured person* is insured under such other coverage.  
All coordination with employee related plans follows Canadian Life and Health Insurance Association Inc. guidelines. In no case will the Insurer seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is \$50,000 or less. If the lifetime maximum for all in-country and out-of-country benefits is over \$50,000, the Insurer will coordinate benefits only above this amount.
- Misrepresentation and Non-Disclosure** - The completed and signed Application (if applicable) is essential to the appraisal of the risk by the Insurer and is the basis of and forms part of *your* contract. Any erroneous

responses thereon constitute material misrepresentation or concealment relating to an essential component of the contract which renders *your* insurance void. Consequently and following a loss, no claim shall be payable by the Insurer and *you* shall be solely responsible for all expenses relating to *your* claim, including repatriation costs. The entire coverage under this policy shall be void if the Insurer determines, whether before or after loss, *you* have concealed, misrepresented or failed to disclose any material fact or circumstance concerning this policy or *your* interest therein, or if *you* refuse to disclose information or permit the use of such information, pertaining to any of the *insured persons* under this contract of insurance.

- Arbitration** - Notwithstanding any clause in the present policy, the parties hereto undertake to submit to an arbitration procedure, to the exclusion of the courts, any present or future dispute relating to a claim. The arbitration proceedings shall be governed by arbitration laws in force in the Canadian province or territory of residence of the *insured*. The parties agree that any action will be referred to arbitration.
- Applicable Law** - This contract of insurance is governed by the laws of *your* Canadian province or territory of residence. Any legal proceeding by *you*, *your* heirs or assigns shall be brought in the courts of the Canadian province or territory of residence of the *insured*.
- Safeguarding your Privacy** - The Insurer places great importance on the protection of *your* privacy. The Insurer collects *your* personal information when *you* apply for this insurance and in the event of a claim, to provide *you* with insurance services and to analyze *your* claim. This information remains confidential, as is required under applicable federal and provincial laws. In the event of a claim, the Insurer may collect *your* personal health information held by a third party. This information may be released to employees of *Global Excel* and the Insurer for claims analysis and to better serve *you*.  
In no case will the Insurer release this information to any person or organization that is not clearly entitled to it without first seeking *your* consent. For privacy information, please see [www.rsagroup.ca](http://www.rsagroup.ca), or call us at 1-800-716-4339.

## SECTION X

- Notice and Proof of Claim** - *You* or a beneficiary entitled to make a claim, or the agent of any of *you*, shall:
  - give written notice of claim to *Global Excel* by delivery thereof or by sending it by registered mail to *Global Excel* not later than 30 days from the date the claim arises under the contract on account of an *accident* or *sickness*;

  - if so required by *Global Excel* or the Insurer, furnish a satisfactory certificate as to the cause or nature of the *accident* or *sickness* for which claim may be made under the contract.
- Failure to Give Notice or Proof** - Failure to give notice of claim or furnish proof of claim within the time prescribed by this statutory condition does not invalidate the claim if the notice or proof is given or furnished as soon as reasonably possible, and in no event later than one year from the date of the *accident* or the

date a claim arises under the contract on account of *sickness* if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed.

- Insurer to Furnish Forms for Proof of Claim** - The Insurer shall furnish forms for proof of claim within 15 days after receiving notice of claim, but where the claimant has not received the forms within that time the claimant may submit his or her proof of claim in the form of a written statement of the cause or nature of the *accident* or *sickness* giving rise to the claim and of the extent of the loss.
- Rights of Examination** - As a condition precedent to recovery of insurance money under this contract:
  - the claimant shall afford to the Insurer and *Global Excel* an opportunity to examine the *insured person* when and so often as it reasonably requires while the claim hereunder is pending; and
  - in the case of death of the *insured*, the Insurer and *Global Excel* may require an autopsy subject to any law of the applicable jurisdiction relating to autopsies.
- When Money Payable** - All money payable under this contract shall be paid by the Insurer within 60 days after it has received proof of claim.
- Limitation of Actions** - An action, arbitration or similar proceeding against the Insurer for the recovery of a claim under this contract shall not be commenced more than one year (two years in the Northwest Territories, three years in the province of Quebec) after the date the insurance money became payable or would have become payable if it had been a valid claim. If this limitation is invalidly shorter than the limitation prescribed by the laws of the province or territory in which this policy was issued, an action, arbitration or similar proceeding against the Insurer shall not be commenced later than the shortest limitation period prescribed by the laws of that province or territory of residence.

The limitation periods stated in this section apply to all plans and benefits of this policy and to all endorsements thereof.
